End of Life Notice

Inex System, Inex 1000/1500, and Inverter 2000

Date: November 21, 2017

Model: Inex Modular Inverter System, Inex 1000/1500 Shelf/Module and Inverter 2000

Part #: 014-1XX-XX, 018-59X-XX, 019-0XX-10, 020-4XX-XX, 030-4XX-10, 614-XXX-XX

Dear Valued Customer,

Alpha Technologies Inex Modular and standalone Inverter 2000 has been providing reliable performance for the last several years. Due to component obsolescence Alpha will no longer be manufacturing new units. Alpha will continue to explore possible solutions to replace this product line.

As a valued customer, Alpha is offering you a last-time buy opportunity to purchase the Inex Modular and Inverter 2000 until July 31, 2018, with a last time ship date of October 31, 2018. We apologize for the short notice and will attempt to accommodate all requirements. Items listed in the spreadsheet below will be marked as obsolete once existing component supplies and inventory are depleted or on October 31, 2018, whichever occurs first. Customers interested in the last-time-buy program should immediately notify their Alpha Sales Representative with their forecast requirements, and place their order as soon as possible. Orders will be addressed on a first come, first served basis and are subject to available supplies. Order acceptance is not guaranteed until confirmed by Alpha. Please note that all orders require non-cancellable, non-returnable purchase orders.

Inex System and
Inverter 2000 Part List

If you have any questions or comments regarding this discontinuation(s), or need information about the alternative products, please contact either to your Alpha sales representative or call us directly at 1-800-667-8743.

Alpha Technologies Ltd. appreciates your patronage, and your understanding, as we strive to offer best in class solutions to support your powering needs.
