## Alpha Technologies Product End of Life Notice: 3.3kW 65V Rectifier

Date: July 23, 2015

Model #: 010-557-20

Dear Valued Customer,

Alpha's 65V 3.3kW rectifier has been providing our customers with reliable performance for many years. Unfortunately, due to a decline in demand Alpha will no longer be manufacturing new units.

As a valued customer, Alpha is offering you a last-time opportunity to purchase this product **(until existing quantities last). As of August 10<sup>th</sup>, Alpha has parts to build 500 units.** We will be happy to work with you to determine the quantities you may wish to order in this last-time buy, based on a non-cancellable, non-returnable purchase order, for delivery throughout the balance of 2016. It is highly recommended that orders be placed as far as possible in advance of the deadline. We apologize for the short notice and will attempt to accommodate all requirements.

No response to this notification is required. Should you have any questions or comments regarding discontinuation(s), or need information about alternative products, please address these to your Alpha sales representative or contact us directly at 1-800-667-8743.
