Date: 22nd February 2017

Model #: 0901xxx-xxx to 0909xxx-xxx

Dear valued customer,

Alpha's CXPS-D, CXPS-M and CXDS-M systems have been providing our customers with extremely reliable performance for the last several years. Unfortunately, as these systems have been superseded by superior models and due to a decline in demand, Alpha is issuing this End of Life (EOL) notice. The superseded replacement systems are as follows:

- CXPS-D systems are being replaced by the CXPS-HX and CXPS-W
- CXPS-M systems are being replaced by the CXPS-W
- CXDS-M systems are being replaced by the CXDM-E2

As a valued customer, Alpha is extending you this last-time buy opportunity, after which they will be removed from active distribution. **Last-time buy purchase orders must be received no later than March 31st, 2017 and customers must take delivery by June 30th, 2017.**

We will be happy to work with you to determine the quantities you may wish to order in this last-time buy, based on a non-cancellable, non-returnable purchase order. It is highly recommended that orders be placed as far as possible in advance of the deadline. We apologize for the short notice and will attempt to accommodate all requirements.

No response to this notification is required. Should you have any questions or comments regarding discontinuation(s), or need information about the alternative products, please address these to your Alpha sales representative or contact us directly at 1-800-667-8743.
