End of Life Notice

Alpha® Micro 300 UPS and Enclosure

Date: September 20, 2021
Model #: Micro 300
Part #: 017-237-XX, 017-238-XX

Dear Valued Customer,

As a result of declining demand with introduction of Micro 350, the Micro 300 product line will be End of Life effective December 31, 2021. Alpha is extending you this last time buy opportunity, after which we shall no longer be manufacturing the listed products and they will be removed from active distribution. Alpha will no longer accept orders for Micro 300 models listed on page 2 after December 15, 2021. Alpha will continue to repair and support the Micro 300 series products for as long as parts are cost effective and available. Last time buy purchase orders must be received no later than December 15, 2021 and customers must take delivery by March 31, 2022.

No response to this notification is required. Should you have any questions or comments regarding discontinuations, please address these to your Alpha sales representative or contact us directly at +1 800 667 8743.

We will be happy to work with you to determine the quantities you may want to order in this last time buy. It is highly recommended that orders be placed as far as possible in advance of the deadline. We apologize for the short notice and will attempt to accommodate all requirements. Note that all orders require non-cancellable, non-returnable purchase orders.

Sincerely,

Daljit Hothi
Product Manager
Alpha Technologies, Ltd.
