

Compower Components

Date: April 11, 2018

Model #: Compower Components

Dear Valued Customer,

As part of our continuous improvement initiatives, Alpha is always looking for ways to reduce waste and improve our ability to provide you with the ultimate customer experience.

This year we have identified many older products that are approaching end of life (EOL). These components will have a last time buy of September 1st, 2018, with a last time ship date no later than December 31st, 2018.

To help you identify any potential impacts, we have placed all the numbers in an excel spreadsheet.
