END OF LIFE NOTICE GPON Green Enclosure

Date: February 6, 2020

Model #: TE39-2725; Green Enclosure Dimensions H39" x W27" x D25"

Part Number: 0300186-002 and other various

Dear Valued Customer,

Alpha Technologies is serving notice that the TE39-2725 enclosure and associated systems and kits have been discontinued. This decision has been made due to its inability to meet market needs, product rationalization, and lack of sales.

Alpha Technologies has other product lines that can be used as a replacement for the TE39. Please contact your account representative to review your requirements and select the appropriate product line, options, and features.
