Dear Valued Customer,

Alpha Technologies' Inex Modular Inverter System, Inex 1000/1500 Shelf/Module, and standalone Inverter 2000 are being retracted from the End of Life notification issued on November 21, 2017. Upon a re-evaluation of component obsolescence and supply chain strategies, the original equipment manufacturer has made the decision to sustain the product line and proceed with a manufacturing plan to support Alpha customer demand.

Alpha can support orders of both Inex modular inverters and standalone Inverter 2000 products, effective immediately. Please contact your Alpha sales representative for availability and forecasting demand for future projects.

No response to this notification is required. Should you have any questions or comments please address these to your Alpha sales representative or contact us directly at 1-800-667-8743.

Alpha Technologies Ltd. appreciates your patronage and understanding as we strive to offer best-in-class powering solutions to support your needs.
