

Alpha Technologies Method of Procedure CXRF 48-1.2kW Disabling Power Save Functionality

Date: 14th November 2014

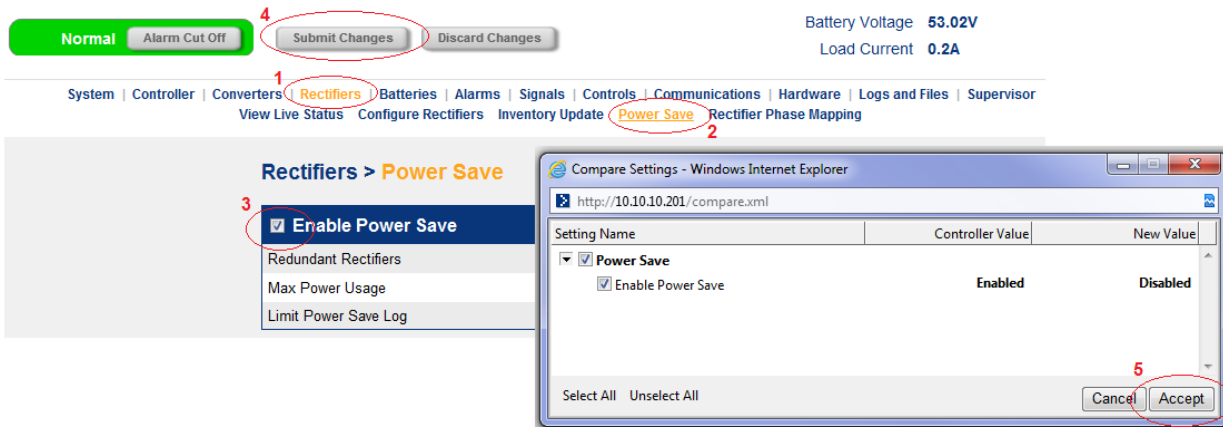

Model #: CXRF 48-1.2kW Rectifiers

Part #: 010-619-20-035, 010-619-20-036, 010-619-20-041

Serial #: Any units with serial numbers below 311003571/0614

How to Disable Power Save

1. Log in to the controller. Refer to the [MOP for Ethernet Connection](#) on how to log-in.
2. Go to “Rectifiers” (1) then “Power Save” (2). Uncheck the box (3) to disable power save.
3. Then click on “Submit Changes Button” (4) to effect the change and click the “Accept Button” (5).

The screenshot shows the web interface for configuring the CXRF 48-1.2kW Rectifiers. At the top, there are status indicators for 'Normal' and 'Alarm Cut Off', and buttons for 'Submit Changes' and 'Discard Changes'. The 'Submit Changes' button is circled in red and labeled '4'. Below this, a navigation menu includes 'System', 'Controller', 'Converters', 'Rectifiers' (labeled '1'), 'Batteries', 'Alarms', 'Signals', 'Controls', 'Communications', 'Hardware', 'Logs and Files', and 'Supervisor'. Under 'Rectifiers', there are links for 'View Live Status', 'Configure Rectifiers', 'Inventory Update', 'Power Save' (labeled '2'), and 'Rectifier Phase Mapping'. The 'Rectifiers > Power Save' section is expanded, showing a list of settings: 'Enable Power Save' (checked, labeled '3'), 'Redundant Rectifiers', 'Max Power Usage', and 'Limit Power Save Log'. A 'Compare Settings' window is open, showing a table with columns for 'Setting Name', 'Controller Value', and 'New Value'. The 'Power Save' setting is expanded, showing 'Enable Power Save' with 'Enabled' as the controller value and 'Disabled' as the new value. The 'Accept' button in the window is circled in red and labeled '5'.

Note: If “Compare settings” window does pop out, the pop up blocker might be ON. Turn off pop-up blocker and repeat the process.

For questions or concerns contact the Technical Support Team at 1-888-462-7487 or 604-415-7444 or you can email support@alpha.ca and mention this Method of Procedure.
