Press Release

Purcell Systems 2018 Silver Performance Award

Vancouver, BC. June 15, 2018 – Alpha Technologies Ltd. (Alpha), the power behind the evolution of communications networks, is pleased to announce that it has been selected by Purcell Systems (an EnerSys Company) as the recipient of its 2018 Silver Performance Award for Key Supplier Quality and Delivery Performance. Purcell Systems reserves this honor for an elite group of strategic suppliers who attained a minimum scorecard rating of 85% or greater.

Vice President, and General manager Chris Craig stated, *“that their partnership with Alpha has been a significant factor in Purcell Systems ability to win key business over 2017-2018.”*

“We’re proud to be selected for Purcell’s Performance Award. Our partnership with Purcell’s Key Supplier Program makes us strive to improve our quality and performance, so that we are providing the optimal service our partnerships value, while maximizing our efficiency,” Jesse Carlson, Director of Supply Chain at Alpha stated.

For 40 years, Alpha Technologies has been an industry pioneer and global leader in the design and manufacture of AC and DC power. Our distinctive excellence is the ability to innovate and quickly deliver optimized solutions for our customers’ unique powering challenges in the Telecom, Wireless, Cable Broadband, Traffic, Security, Industrial and Renewable Energy industries. Alpha’s award-winning product strategy, TL 9000 certified quality system, and continuous improvement/operational excellence program focuses on providing the ultimate customer experience by supplying solutions of the highest quality, value and reliability.
