Product End-of-Life Notice: RST, RSM, Pathfinder and Select CS Models

Dear Valued Customer:

As a result of ongoing product development combined with component obsolescence and global component shortages, Alpha Technologies wishes to inform you of the end-of-life for the "RST", "RSM", "Pathfinder" and some CS product line(s). Effective immediately, Alpha will no longer be manufacturing all versions of the listed products ([click here for the list of obsolete products](#)) and they will be removed from active distribution. Alpha will accept orders for any items listed as "Stock Available" in the attached file on a first come, first served basis and only while stocks last.

Please note, on-going technical support for these products will continue to be available from Alpha until advised otherwise.

No response to this notification is required. Should you have any concerns or comments regarding the discontinuation(s), please address these via email to: support@alpha.ca at any time.

Sincerely,

Grant Clark

Director, Product Management

Alpha Technologies Ltd.
