End of Life Notice

CFR Family

October 22, 2013

Dear Valued Alpha Customer,

As a result of declining demand combined with component obsolescence, Alpha Technologies is announcing the end-of-life for our CFR UPS product line. Alpha is extending you this last time buy opportunity, after which we will no longer be manufacturing the CFR series and they will be removed from active distribution. Alpha will continue to provide CFR technical support for the foreseeable future and will continue to service CFR's as long as parts are available.

Last time buy purchase orders must be received no later than December 20, 2013 and customers must take delivery by March 31, 2014.
