Alpha Technologies Product End of Life Notice: 300W Rectifier and System

Date: September , 2017

Model #: 0300072, 0100010, 0100010-001

Dear Valued Customer,

Alpha's 300W rectifier platform has been providing our customers with reliable performance for the last several years. Unfortunately, due to a decline in demand Alpha will no longer be manufacturing new units.

As a valued customer, Alpha is offering you a last-time opportunity to purchase this product. We will be happy to work with you to determine the quantities you may wish to order in this last-time buy, based on a non-cancellable non-returnable purchase order. It is highly recommended that orders be placed as far as possible in advance of the deadline. We apologize for the short notice and will attempt to accommodate all requirements.

Last time buy purchase orders must be received no later than March 1st, 2018 and customers must take delivery by June 1st 2018.

No response to this notification is required. Should you have any questions or comments regarding discontinuation(s), or need information about the alternative products, please address these to your Alpha sales representative or contact us directly at 1-800-667-8743.
