Dear Valued Customer:

As a result of declining demand Alpha Technologies is announcing the end-of-life for the **Gray color** SKUs of Alpha's fuse, breaker and termination panels. Alpha is extending you this last time buy opportunity, after which they will be removed from active distribution. However, we are going to manufacture and supply **Black color** versions of the panels (part numbers for which have been detailed below).

Last time buy purchase orders must be received no later than December 1st, 2014 and customers must take delivery by January 31st, 2015.
