Alpha Technologies Product End of Life Notice: Vista Power System

Date: Sept 16, 2015

Model #: Vista Power System Series

Dear Valued Customer,

Alpha's Vista power system product line has been superseded by the CXPS-W power system. As a result, Alpha will no longer be manufacturing new Vista power systems.

As a valued customer, Alpha is offering you a last-time opportunity to purchase existing configurations of the Vista product line, after which all production will be permanently closed down. We will be happy to work with you to determine the quantities you may wish to order in this last-time buy, based on a non-cancellable non-returnable purchase order, for delivery throughout the balance of this year. **All last-time buy orders must be received no later than October 15, 2016**. It is highly recommended that orders be placed as far as possible in advance of the deadline. We apologize for the short notice and will attempt to accommodate all requirements.
