END OF LIFE NOTICE

Collect 600, Small Cell Power Supply

Date: April 6, 2020

Model #: Collect 600

Part #: 0100021-J0, 0100021-001, 0100021-002

Dear Valued Customer,

This letter is to serve as a formal notice that Alpha Technologies is discontinuing production of the Collect 600 due to changes in market conditions. A replacement product is in development and more information will be announced when it is available.

As a valued customer, Alpha is offering you a last-time opportunity to purchase the Collect 600 (**while quantities last**). We will be happy to work with you to determine the quantities you may wish to order in this last-time buy, based on a non-cancellable, non-returnable purchase order. **All last-time buy orders must be received no later than June 1, 2020.** We will attempt to accommodate all requirements.

No response to this notification is required. Should you have any questions or comments regarding discontinuation(s), please address these to your Alpha sales representative or contact us directly at 1-800-667-8743.

Alpha is committed to providing best-in-class products to support your local powering needs and continues to innovate products to do so.

Sincerely,

Satheesh Hariharan
