End of Life Notice

Cordex® HP LPS36 A/B Input Line Power Shelves

Date: January 10, 2024
Model #: Cordex® HP LPS36 A/B Input Shelves (19- and 23-inch)
Part #: 0300055-011 and 0300090-011

Dear Valued Customer,

As part of our ongoing efforts to deliver the most valued customer experience, we have streamlined our Cordex® HP LPS line power product series to offer only the single input 19- and 23-inch Cordex® HP LPS36 line power shelves. The decision to move forward with this approach was based on several factors including very long lead times, higher material costs, and low sales volume.

EnerSys is initiating this end of line notification for the following model effective January 4, 2024.

PRODUCTS TO BE DISCONTINUED		REPLACEMENT PRODUCTS	
Part #	Model/Description	Part #	Model/Description
0300055-011	Cordex® HP LPS36 9 Converter Module Shelf with A/B Input	0300055-001	Cordex® HP LPS36 9 Converter Module Shelf
0300090-011	Cordex® HP LPS36 12 Converter Module Shelf with A/B Input	0300090-001	Cordex® HP LPS36 12 Converter Module Shelf

No response to this notification is required. Should you have any questions or comments regarding discontinuation(s), please address these to your Cordex® sales representative or contact us directly at 1-800-667-8743.

Sincerely,

Satheesh Hariharan
Sr. Product Manager, Distributed Powering In-Building & Outside Plant, Energy Systems
