End of Life Notice

PowerWorx® Fuse Panels

Date: July 27, 2022
Model #: PowerWorx® Products
Part #: See the following table

Dear Valued Customer,

Upon consumption of existing inventories EnerSys will be discontinuing the following products in the PowerWorx® line. This decision is being driven by decreased demand for these products along with a high number of components no longer being available.

EnerSys continues to develop and expand its line of distribution products. Please contact your Alpha Sales Representative, Customer Service, or Product Management for alternative distribution solutions
